Docket No. 49616/LTR/G319

I hereby declare that:

I am authorized to act on behalf of the following assignee **Storactive, Inc.**, and the title of my position with said assignee is President.

The entire title to the patent identified below is vested in said assignee.

Name of Patentees : Mark Skiba and Mikhail Ryzhkin
Patent Number : 6,366,988
Date Patent Issued : April 2, 2002
Title of Invention : SYSTEMS AND METHODS FOR ELECTRONIC DATA STORAGE MANAGEMENT

I believe said Mark Skiba and Mikhail Ryzhkin to be the original, first and joint inventors of the subject matter which is described and claimed in said patent, for which a reissue patent is sought on the invention entitled SYSTEMS AND METHODS FOR ELECTRONIC DATA STORAGE MANAGEMENT the specification of which

X is attached hereto.

_____ was filed on _____ filing date as reissue application number _____ and was amended on _____ if applicable.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid by reason of a defective specification; the error being relied upon as a basis for reissue is the failure to include the source code listings of appendices A, B, and C in the original application in the form specified in 37 CFR. § 1.52(e)(1)(i) as it existed on the filing date of the original application, namely, July 17, 1998. The applicable rule on that date authorized the submission of computer program listings in microfiche form. Applicant failed to submit the

source code listings of Appendices A, B, and C in microfiche form and, accordingly, these appendices were not reference in the original patent in the manner specified in 37 CFR § 1.77(b)(4).
